**swiss glamour camping kit**

limited edition

hi friend,

this is a genuine **paul frank** limited edition product. why did we make this? well, one afternoon we were thinking what if you happen to love the Swiss alps and find yourself making a weekend trip there like many of us so often do <wink> you may need a specialized pack of all the required "necessities". our friends at **urban decay cosmetics**, who make the the best cosmetics on the planet, loved our idea and as a result, we're offering you this very special and extremely limited paul frank product. we hope you enjoy our silly idea as much as we enjoyed making it.
